BEST ROOFTOP BAR: BANKO CANTINA, WEST PALM BEACH

Banko Cantina's 150-seat rooftop is "not a night club, but a high-end lounge," says co-owner Sam Sanchez. It has its own kitchen, a 90-foot bar, misters for hot weather, and a spectacular view of West Palm. Banko Cantina focuses on the cuisine of Nuevo Leon in northern Mexico. Try the mesquite-grilled skewers with shrimp, steak, or bacon-wrapped chicken, and wash it down with an Adelita, a margarita with a salt-and-chili-pepper rim and a float of mescal.
